I've taken the following photos this morning to show the work has been done.

This was a grueling and dangerous effort to do so much so quickly in the middle of an extreme heat warning and dangerous smoke warning.

Mr. Puchala,

With all the commotion this afternoon, I put the wrong month on your Application for Appeal. The correct hearing date is Tuesday, July 21.

The correction is attached.

Also, you forgot your original Summary Abatement Order. I will have it waiting for you next week. In the meantime, it is attached, also.

Thank you.
