07/30/2013	13 215649	Open	CS - CSO Complaint - Crime - Complaint	Rowdy people yelling in back patio and alley and parking lot area, people start physical fights when leaving bar. People seen leaving bar with open bottle/or cocktail glasses walking down alley between rice and albemarle, leave garbage and empty bottles in alley and parking lot. people urinateing outside in alley and on private property of neighboring houses. people in vehicles speeding down the alley when trying to leave bar when police show up. people are cutting through yards when police show up. vehicles with loud stereoes coming and going, sometimes leaving stereoes going after getting out of vehicles parked in lot. This happened both friday and saturday nights of this past weekend, and almost every weekend so far this summer and last summer and the summer before that. There doesn't seem to be security working in the back patio and lot area, there is disruptive and illegal behavior going on without anyone trying to stop it.

05/22/2013	13 187948	Open	CS - CSO Complaint - Crime - Complaint	There is often loud arguing and loud stereoes in parking lot, also motorcycles idling for an unreasonable amount of time. This happens mostly on weekend evenings. Early this past Saturday morning, May 18 (around 2 am as patrons were

03/29/2013 13 168246 Resolved	CS - CSO Complaint - Exterior - Complaint	<p>leaving) There was a large group leaving the bar, it started as a verbal argument and quickly escalated into a physical confrontation. We called the police and several squads arrived within minutes. They used some kind of spray (mace?) to subdue people. The fighting has got to stop out here. The bar owners/management need to do a better job at making sure their patrons are not disturbing neighbors. This has been going on for many years now and something needs to be done about it. This is not only a noise disturbance- This is a public safety issue. Also, they need to clean up the trash in the lot and alley more frequently and do a better job at making sure people do not leave with plastic cocktail cups and beer bottles and litter them in the alley. Finally, the patrons of this bar need to be told that the alley and the back of the Klub Haus and neighbors back yards are not the restroom</p> <p>The dumpster is overflowing and garbage is strewn down alley-- The patrons of this bar leave a mess and the bar owners/management are not proactive about cleaning up after them. Often I find plastic cups and beer cans in the alley behind this establishment. They are not allowed to be drinking in the patio area- but people are sneaking beverages out into the lot and alley area. I am also concerned about the loitering and sometimes the fighting that goes on in the parking lot area and alley (especially on weekends). Now that the weather is getting warmer I have already noticed an increase in this behavior.</p>
