Subject: Public comment in support of Local Rumor alcohol license vote
Date: Friday, August 2, 2024 3:37:39 PM

Hello St Paul City Council and thank you for your time. I'm writing in advance of your vote on the liquor license for Local Rumor on Selby Ave. My family and I live within walking distance of this new neighborhood bar and restaurant and can say that it's exactly what we were hoping for in the location previously occupied by Blue Door pub. The new space is lovely and we've had the pleasure of dining here 3 times since they opened. Their menu and environment is well thought out, with a sane and inviting experience in mind for their patrons. The staff and owner are incredibly welcoming and their desire to be a part of our neighborhood for years to come is evident. We hope you will approve their application.

Thank you for your consideration
