Hi Gina,

Just to clarify, this is a license for on-sale liquor for a restaurant. Would you still like to object? I just want to confirm.

Thanks,

Greg Weiner

I am objecting to open a liquor store in our neighborhood.

1. That intersection is a very busy one and would be worse with that establishment there. New families have moved in with small children in the past several years. I see people not stopping at stop signs in that intersection all the time. I believe more traffic creates a risk factor for our children.

2. There is no room for any parking. People that live in the neighborhood who do not have off street parking rely on the street and need that space to park their vehicles.

3. Store open til midnight . Increase noise in neighborhood. People have to get up for work and take children to school and daycare.

Please consider these factors. Thank you.
