Hello Michael Jon,
Thank you for taking the time to look at our situation with the 45 day waiver. Midway Liquor is located at 1944 University Ave. and the new location is 1955 University Ave. (right across the street).

Minnesota Dept. of Safety and Inspections have been very helpful in sending us all the proper paper work we need for the license. Christine Rozek's number is (651)266-9108.

Again thank you for your time. If you have any questions or if you need any information please contact me at (651)492-9829.

PETITION Consent for an Intoxicating Liquor Establishment

LC409.06(n) *License near church or school.* No license, except an on-sale wine or intoxicating malt liquor license issued to a restaurant as defined in section 409.15, shall be issued for any premises located within three hundred (300) feet from any public or parochial school, church or synagogue, said three hundred (300) feet being calculated and computed as the distance measured from the property line of the premises or building proposed as the location for the liquor license to the property line of any school, church or synagogue in the area for which the license is sought.

Any licenses in force and effect on November 10, 1962, the location of which license is in conflict with the provisions hereof, may be renewed, transferred or otherwise dealt with in accordance with law, it being the intent of this paragraph that it be applied prospectively for proposed locations of licenses, and further it being the intent of this paragraph that the limitations set forth in this paragraph shall in no manner be applicable to any hotel or motel. Upon written petition signed on behalf of the school, church or synagogue located within three hundred (300) feet of the proposed location of the license, the council may by a five-sevenths vote disregard the provisions of this paragraph insofar as location adjacent to a church, school or synagogue of a proposed license is concerned.

We, the undersigned, have read and understand City of Saint Paul Legislative Code 409.06(n) stating that any church located within 300 feet of Midway Liquor Store may consent to the waiver of the 300 feet distance requirement and granting of an Intoxicating Liquor License at the aforementioned location.

We, the undersigned, understand that the business, Midway Liquor Store, owned by James Robert Gorman, has filed a business license application for Midway Liquor Store located at 1955 University Ave Suite 104 with the City of Saint Paul Department of Safety and Inspections

We, the undersigned, do hereby consent to the application of Midway Liquor Store requesting an Intoxicating Liquor license at 1955 University Ave Suite 104.

The undersigned acknowledges that Casim Edwards-President (name and title of signee) has authority to consent to the application requesting an Intoxicating Liquor license on behalf of AT-TAQWA Islamic Center.
