	07/25/2012	12 086048	Resolved	CS - CSO Complaint - License - Complaint	Auto Repair business always has at least 12 or more vehicles parked on the property, it seems there are too many vehicles stored on the property. Also witnessed was an employee using a hose to clean their lot/parking area which was likely washing hazardous fluids into the sewer system. This has been noted as an issue for the past couple of months.
