date September 4, 2015

WHEREAS, Timothy Niver, File # 15-145-496, has applied for a reestablishment of nonconforming use for a restaurant under the provisions of §62.109(e) of the Saint Paul Legislative Code, on property located at 786 Randolph Avenue, Parcel Identification Number (PIN) 11.28.23.42.0009, legally described as Clarkes Addition N 77 Ft Of Fol Lots 1 And Lot 2 Blk 2; and

WHEREAS, the Zoning Committee of the Planning Commission, on August 27, 2015, held a public hearing at which all persons present were given an opportunity to be heard pursuant to said application in accordance with the requirements of §61.303 of the Saint Paul Legislative Code; and

WHEREAS, the Saint Paul Planning Commission, based on the evidence presented to its Zoning Committee at the public hearing as substantially reflected in the minutes, made the following findings of fact:

1. The property at 786 Randolph Avenue is a single-story commercial building. From 1966 through 1988 this property was home to a restaurant named Phil's Place. After 11 years of vacancy, it served as a restaurant from 1999 through 2005 under a nonconforming use permit #99-008, first as The Mildred Pierce Café then as Café de Tava. The building has been vacant since 2005.
2. Section 62.109(e) states: *When a legal nonconforming use of a structure, or structure and land in combination, is discontinued or ceases to exist for a continuous period of more than one (1) year, the planning commission may permit the reestablishment of a nonconforming use if the commission makes the following findings:*
 - (1) *The structure, or structure and land in combination, cannot reasonably or economically be used for a conforming purpose.* This finding is met. The building, which has been vacant for over a year, is designed for restaurant uses rather than commercial, coffee shop/tea house, or deli/take-out uses permitted in the B1 district. Repurposing the building for such uses would be costly. The structure cannot reasonably or economically be used for a conforming purpose.
 - (2) *The proposed use is equally appropriate or more appropriate to the district than the previous legal nonconforming use.* This finding is met. The previous use was also a sit-down restaurant, which is first permitted in the T2 or B2 district. The previous restaurant had 49 seats, and the applicant proposes approximately 50 seats for the proposed use. Anticipated hours of operation are approximately 5-10pm Tuesday through Sunday, and 8-11am Saturday and Sunday, which are fewer hours of
