

On 11/09/2016, dispatched to the area of Bush Ave./ Pedersen St. on a report of a suspicious incident. A caller stated that they observed a w/m pull up in a blue colored Chevrolet Blazer and meet with an individual who was in a white colored sedan. Both parties then went to 784 Pedersen St. Upon arrival, we determined that the Chevrolet Blazer was an active New Brighton stolen vehicle. While waiting for the tow truck to arrive, we observed a w/m ride up to the passenger side of the Blazer and then bike back to 784 Pedersen St. We conducted an investigative stop of three individuals standing on the boulevard at 784 Pedersen St. One individual, JEFFREY VERNON DEAN (32 year old male, 355 Maria Ave. #9) was found to have the keys for the stolen vehicle in his pocket and admitted to driving the vehicle. DEAN was also found to have suspected controlled substance on his person. A female was identified as, SHERRY TRESA RUCKER (36 year old female, 784 Pedersen St.) was also arrested for possession of suspected controlled substance that was located in a backpack that she was wearing. The third individual was found to have a methamphetamine smoking "bubble" on his person. This individual stated he was visiting friends at 784 Pedersen St. Five additional individuals were located inside of 784 Pedersen St. At RUCKER's request, all but three of the individuals were inside of the residence were asked to leave. DEAN and RUCKER were transported to the Ramsey County LEC and booked. Property and evidence turned in. I checked St. Paul RMS and found there has been 10 calls for service to 784 Pedersen St. since January 2016. These calls include narcotics complaints, disturbances, fights, and check the welfare.
