RE: Taher Acquisition Corp. d/b/a Signature Dining for the premises located at License ID #  
20020002732. 520 Lafayette Road, St. Paul

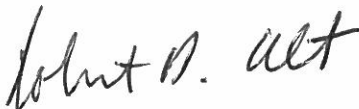

Dear Mr. Lundgren:

This is in reference to your October 6, 2011 letter concerning the temperature violations that happened on April 20<sup>th</sup>, 2011 and then also happened on a follow up visit on July 27<sup>th</sup>, 2011.

We admit to the facts of the findings on both visits and would like to request a public hearing to explain our side of the facts. The product that exceeded temperatures is bought from an outside facility. After the April 20<sup>th</sup> temperature problems we did institute temperature logs for receiving this product and also our manager would refuse the product if it exceeded the safe zone.

On the July 27<sup>th</sup> health department visit our manager of this location was off and there was a temporary Manager filling in. Our grab and go items were delivered to this location right before the health department visit. This temporary manager put the product out. We have now corrected the problem by training all of our staff on the procedures.

Thank you for your time.
