To whom it may Concern:

I live at 986 Argyle Street with my husband & 2 children. We have lived next to 988 Argyle since Nov. 2008. We have watched this property deteriorate over the years significantly. Nothing has been cared for including the home, yard, & trees. The property appeared hopeless to us - beyond repair.

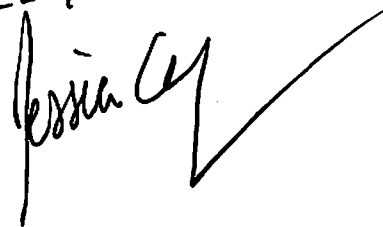

That is until beginning of July when Bill Davis appeared and got to work. He has spent an incredible amount of time and energy turning the place around. He works all day every day well into the night. He even helped us clear off the overgrown vine on the back fence that was intruding into our garden. It is the first time ever that I can look at the property and see hope for our neighborhood street. I have appreciated his openness & willingness to hear out our concerns & experiences with 988 Argyle. He is the first person to truly care about an outcome here.

If you need any other information feel free to call me anytime.

P.S. Bill also added a new gutter to our house ~~to~~ on the side that faces 988 free of charge! Thank you Bill!!

To whom it may concern;  
My name is Sue Larive and I live at  
992 Argyle St. in St. Paul Mn. right next  
door to 988 Argyle St. where Bill  
Davis has been fixing & cleaning  
the property there.

Shortly after the last tenants  
moved out I noticed Bill there  
every day for hours at a time lasting  
late into the night.

I saw what awful shape the last  
tenants had left it in, and the  
amazing progress Bill has made  
to get it back into livable  
condition. It's like night and  
day. I can tell he's doing his  
best to get it taken care of.

If you need to talk to me  
further you can call  
to 651-888-1627.

Thank you,  
Sue Jarvie
