Hi Mr. Steinmaus,

I want to inform you that Marcia Moermond recommended granting 180 days for above address going to City Council on April 5th, not realizing the code compliance inspection wasn't completed during our hearings. As of today, the Code Compliance Inspection Report is done and has been sent out to Mr. Mackley. I am attaching a copy herein. Ms. Moermond has asked DSI to hold off allowing permits to be pulled. You will need to re-submit a work plan with schedule to reflect the items in the Code Compliance Inspection Report.
