Legislative Hearing Officer
310 City Hall
15 West Kellogg Boulevard
Saint Paul, Minnesota 55102

Dear Hearing Officer,

We are writing in regard to the license application for D & L Food & Gas. We approve of the granting of the license given they meet the conditions set forth in the City's license application notification and with the following additional conditions set forth by the District 10 Community Council: Repair and maintain the public sidewalks, including timely removal of weeds and graffiti; and obey the city ordinance regarding signs, including but not limited to flashing signs and temporary banners.

This business has become quite an eyesore in the past few years, and people living in the neighborhood have noted the decline. It is our hope that these conditions will improve the appearance of the area and maintain or increase property values in the area.

Sincerely,

Kim Moon
