

My name is Will Kuhns. I own a home at 1996 Marshall Avenue, and I am calling about the development proposed for 2069 Marshall Avenue. I support the building of apartment buildings in this neighborhood and any neighborhood in Saint Paul in order to provide housing for our neighbors and community members as well as control home and apartment prices in the Cities. It is the only way to provide enough housing for everyone that wants to live here, and for the good of the community, I hope you go forward with the proposal and put up more apartments when available in this neighborhood and others. Thank you. Bye.
