Subject: St Paul house assessment -- not correct !!!!!

Importance: High

Hello

I purchased 1708 Minnehaha Ave East, St Paul, MN (parcel ID 34-29-22-11-0098) this fall of 2020. I purchased it from the bank as it was a foreclosure.

The house, since my purchase, has NOT been vacant!!!!!! It is lived in and has been since day 1.

What do you/I need to do to get rid of the assessment that isn't correct?

Thank you

Seth Bork
