Hi. My name is Steven Landsberger. I live at 331 East Annapolis Street, Saint Paul, Minnesota 55118. I am contesting the assessment for Brown street for sealcoating 59 feet times \$6.22 a foot equaling \$366.98. I don't live on Brown Street. My address is Annapolis, but because I live on a corner, I'm responsible for both, and I don't think that's fair. Anything that the City Council can do for me or let me know, I would appreciate it. And also if you could get back to me. Call me back at 651-503-4172, and let me know your decision, so I don't get this on my property taxes. So please let me know the outcome. Thank you, Steven Landsberger. Goodbye.
