Dear City Clerk:

I called and spoke with Jani and she mentioned that the appeal application would still be accepted if I send today for both the windows and the steps.

I am requesting an appeal as I would put money into a property that would be demolished in 6 months. And all the improvements work would be destroyed.

I am in the process of selling the home in which it will be demolished. I have signed a letter of intent with a company that works with CVS. The project goes in front of the investment committee in June, which is expected to approve the project. CVS is expected to purchase 5 properties on the corner of White Bear Ave and Maryland Ave. 1759 Maryland Ave E being one of them. The process may take about 6-9 months for testing, rezoning, etc to occur. At that time all of the properties will be demolished to put up a new CVS store.

Sincerely and Thank you
