Hi Jeff –

Just back from vacation and wanted to touch base with you. I know you had discussed an appeal of the decision and guess you have been doing some research. I want to flag a couple of issues –

The first being that the window for Mr. Price to actually select the 10 day period is rapidly closing because the suspension period needs to start before August 20<sup>th</sup>.

The second being that a stay of the suspension is not automatic if appealed.

If you have any questions, please feel free to give me a call – Thanks - Therese
