Fiscal Analysis

14 It is the desire of the Water Department to create a Financing and Spending budget for the issuance of the Series 2013 Water revenue
 15 refunding bonds to finance the refunding of its Series 2003C and 2005D Water revenue bonds. The 2013 bonds are expected to attain a
 16 lower interest rate than the 2003C and 2005D bonds resulting in debt service savings to be realized throughout the term of the issue.
 17 SPRWS Board of Commissioners previously approved the issuance of the 2013 bonds in resolution No. 7194 on December 11, 2012. RES
 18 13-40 was approved by City Council on January 9, 2013 granting preliminary approval to issue water revenue refunding bonds for this
 19 financing. Council RES 12-231 awarded the sale of the bonds which are expected to close on March 18, 2013.
