Re: 466 Iglehart Avenue, Hill Historic District
HPC Public Hearing, June 14, 2012 – HPC File #12-036

Dear Mr. & Mrs. Murdock:

As you know, the Heritage Preservation Commission (HPC) considered at its June 14, 2012 meeting the remove or repair orders for the property listed above. The HPC voted 9 - 0 to recommend that a pending demolition permit be denied and alternatives be sought to reuse and rehabilitate the property. This decision was based on the discussion at the public hearing, public testimony and findings by HPC staff. I've attached the amended staff report that was presented at the HPC Public Hearing in which you did not attend. Meeting minutes will be available after July 12.

HPC staff will present this information at the July 10, 2012 Legislative Hearing. Please make arrangements to attend that meeting. Feel free to call me at 651-266-6715 if you have any questions.

Sincerely,
