Mr. Abdo,

After talking to the hearing officer, she recommended that I schedule you for a hearing on January to discuss the electrical panel. Let me know if you are available on January 3 at 1:30 p.m. in Room 330 City Hall.

Mai Vang:

I am the owner of 1813 Dayton Ave and I am scheduling an inspection with Mike Erman. I believe that we have completed all items on the report with the exception of moving the electrical panel. Mike said that my appeal was denied, however in reviewing my file I do not have any written correspondence supporting that statement. If this is true please inform me in writing so that I can take the next step in the appeal process. The cost of this relocation is so expensive that I will have to navigate through the whole process.

Thank You,

Larry Abdo
