This is to Appeal your Assessment on mowing our lawn in October 2019. I just called and found out the assessment is for mowing our lawn. I never received your notice otherwise we would have taken action. I had someone stopped by sometime in October and notice the grass is not that long, and weather was in the 40's to 50's so we know grass is not growing any longer, so we did not mow thinking we won't need to do that till spring. Moving forward, I'm authorizing Winnie Crosbie ([winniecrosbie@edinarealty.com](mailto:winniecrosbie@edinarealty.com), Cell 612-741-9556) with WYYC Property Management to handle my affair in Minneapolis for now on. Please in the future, please send notice to my new management company. Thank you.
