Good Afternoon Mr. Perez,

If I understand your request correctly, you are looking for sufficient time to repair your truck, so you can move it until your garage is modified to be able to accommodate the vehicle. I will recommend the Council grant to July 1 for this work to be done. Your item was continued in Legislative Hearing to May 15. If you would like to come to hearing to discuss this recommendation, it will be in the same room. If you have questions or comments we can handle by email, that will be fine, as well.

Sincerely, Marcia Moermond
Legislative Hearing Officer
Saint Paul City Council
