St. Paul Council

Public Hearing Notice

Ratification of Assessment

Assessment 180025

It is in my notice that NO ONE has ever been to my property to do Street Sweeping and City Street Lightning and I am addressing this issue that I have not paid for this assessment nor do I intend to do so.

In all my years of 19 years, this hasn't been an issue and I am contesting this assessment. My property number is 10-28-23-0345. You can take this off your books.

Sincerely,

A handwritten signature in cursive script that reads "Shirley Polejewski".
