NARRATIVE

On 10/03/13 at 1023 hours, I (Sgt Merrill-FSVU) called the victim- [REDACTED] [REDACTED]. I went over the information in the original report with WOODS. WOODS clarified the following:

- She has known the suspect, KELLER, since March 2013 when they started dating
- Her relationship with him was of an intimate sexual nature
- She did not live with him and they do not have any children together
- KELLER picked her up at work at the airport and she sat in the front passenger seat
- There were no other people in the cab
- She told him she wanted to break off the relationship
- He grabbed her by the hair
- He locked the doors and windows so she couldn't get out
- She started to honk the horn on the van to get peoples attention as they drove
- KELLER used his elbow and struck her in the eye
- KELLER struck her again in her lip (which swelled up right away)

I asked [REDACTED] to clarify (geographically) where she was at when KELLER assaulted her. After I asked her some questions about streets and locations, and based on her answers and descriptions, I determined this assault happened after crossing the river at Ford Snelling at Shepard Road and within the City Of St Paul municipal boundaries.

[REDACTED] said that as KELLER drove her down Shepard Road (heading towards downtown St. Paul), he slowed down and she was able to get out of his vehicle. [REDACTED] said that a female, whom she did not know, saw her get out of the cab and away from KELLER. [REDACTED] said this female drove her to Regions Hospital. [REDACTED] said she did not know this female, did not know her name, or phone number.

I asked [REDACTED] if she called police when she was in the taxi with KELLER. [REDACTED] said she did try to call police when she was in the taxi and he was trying to take her phone. [REDACTED] said that she did not tell KELLER she was calling police, she tried to call without him knowing. She put the phone underneath where she was sitting, and thats when KELLER pulled her hair and started "hitting on me".

I asked [REDACTED] what treatment she received at the hospital and she said they just gave her an ice pack.
