Dear Jeff:

Karen Nichols from the Minnesota History Center contacted the CapitolRiver Council to request support for the Minnesota History Center's application to waive the 45-day waiting period for their application of a Sunday liquor license. We are happy to support their efforts for this application and recommend waiving the 45-day waiting period.

Should you have any questions or want further clarification, I'd be happy to do so. My contact information is below. Best wishes and thank you for your consideration.

Regards,
