Hello, my name is Harriet Rydell RYDEL live at 727 Lawson Ave East in Saint Paul. My zip code is 55106, my phone number is 651-778-1314, and I'm calling in concern to my proposed tax levy. I want to know why. Underneath the city of Saint Paul, the economic development and housing budget line has increased 546%. That seems outrageous to me Do I need to show up to the meeting on December 6th at 6:00 PM to discuss this matter again? My number is 651-778-1314.
