Re: Gambling Location License application

On behalf of the Greater East Side/District 2 Community Council, I am writing to express their support for the gambling location license application for Cups & Cheers at 1626 White Bear Ave. The board voted unanimously to support the application. The management at Cups & Cheers have remodeled the establishment and created a new structure of management and we have not received any complaints at our office against the business. The board also acknowledges the contributions that charitable gambling provides for the community.

If there are any questions or concerns, please feel free to contact me at 651-774-2220 or at d2lisa@outlook.com

Sincerely,

Lisa Theis
Program Director
