You may pay this registration fee online by going to **online.stpaul.gov** and selecting the 'Make a Payment' option. You will need your customer number and bill number to process a payment - both can be found on this letter.

The Code Enforcement Officer has notified the Building Inspection and Design Section that this property meets the legal definition of a registered vacant building and in accordance with Legislative Code Chapter 33, no permits (except demolition, wrecking and removal permits) will be issued until the requirements of all applicable ordinances are fulfilled.

All category 2 and category 3 vacant buildings must be winterized with gas and water services shut off or, alternately, an excess flow gas valve must be installed in the dwelling, within sixty (60) days of the date of this notice.

**Category 3:** All requirements listed for Category 2 vacant buildings, AND obtain a **Certificate of Occupancy OR Certificate of Code Compliance** prior to the sale of the building.

If the use of this building meets the definition of a nonconforming use by the Zoning Code, then the use will lose its nonconforming status 365 days from the date the building was declared vacant.

**You must contact the Enforcement officer , James Hoffman, at 651- 266- 1947 to find out what must be done before this building can be legally reoccupied.**
