**Re:** Liquor On-Sale License: 934 Selby - Golden Thyme Restaurant and Bar

The Summit-University Planning Council offers our enthusiastic support for a Liquor On-Sale license for the Golden Thyme Restaurant and Bar. We have met with the restaurant management and are confident this establishment will serve as a positive addition to the community.

Please contact SUPC if we can help accelerate this approval.

Sincerely,

Phil Hague  
Chair, Community Improvement and Safety Committee
