Who is responsible for compliance for Willards Liquors 738 Thomas ave to abide by their license conditions that was mailed to home owners in area. Fri 4/19/2019 also on 4/20/2019 their is constant loitering loud noise and music vehicles blocking traffic and parking in no parking areas .The hired security are suppose to make sure no loitering and move the crowds in or have them leave, it is also said to have vehicles from patrons that are parked in no parking areas to move. I called police non emergency number to have a squad go to Willards Liquors I watched 2 squads drive past bar neither one even slowed or stopped. I contacted city more than a few times in the past few years I get the same response im told this is a police matter I inquire to police and nothing happens because they say its a city matter. Just who is responsible do the neighbors need to file some sort of law suite to have this constant problem resolved. Maybe Willards needs to have an officer on duty on the premises. This has become more than a nuisance for surrounding neighbors, trash curb side every morning loud patrons loud music groups loitering outside of bars door security does nothing. Yes I can see it out my windows with an unobstructed view the noise is terrible. reach me at (763)464-9440 Dave.
