Subject: appeal for pet grooming business

Dear Patricia,

I will not be able to attend the appeal hearing regarding Sandra Belisle, 360 Clifton St.

I don't believe anything has ever changed in regard to this business. In this appeal letter I received. It states there in parking in the rear for 3 to 4 cars. that is not ture you can maybe park 1 car in the back and you are then on the neighbors property. Today is Sunday, the appeal letter I received states she open Monday through Saturady. I did yard work most of the day and that is all I heard were dogs barking and little dogs crying and yelping. Her yard is a very small yard not nearing large enough to have big dogs that could get excerise. She also has a sign out in front that she has dogs for sale.

I am still very very opposed to this business and would like to see it gone.

Sincerely,

Robin Reich
