Geoffrey Karls
Assistant City Attorney

Geoffrey Karls,

The purpose of this letter is to admit the facts and to contest the \$500 penalty in the 5/9/14 Notice of Violation. I was not able to submit this letter request by the 19th because I am sick and was in Savage, MN so came to DSI today. DSI Inspector Thomas Ferrara typed this letter/request for me while at DSI and explained to me the three options to pay the fine, to admit the facts then contest the penalty or to dispute the facts before a judge. I reviewed the facts in the notice with the Inspector multiple times and initialed them. I am in need of an interpreter that translates Ethiopian "Oromo" language for the Council hearing. Please also send mailings to 13071 Vernon Ave, Savage MN 55378 and can also be reached by phone 612-323-0230.

Respectfully,

Abageda T. Yahya
