Dear Ms. Vang,

In advance of the appeal hearing tomorrow afternoon for 658/660 Thomas Ave, I'm forwarding the revocation notice from DSI and pictures of completed corrections for the asphalt driveway (item #1), eave board repair and painting on garage (item #2), and grounding jumper (item #5). The plumbing inspector has signed-off/closed all permits regarding all plumbing items as of last week.

I believe all items are completed such that I can be approved to remove the revocation signs from the property as soon as possible, as well as remove the revocation within the DSI system. I will wrap-up any others items by Nov 1st as previously set by the appeal board, but will likely complete Nov 1st items this week.

Sincerely,

Eric Eddy
