Mr. Yean,

I am following up on the voicemail I just left you at 11:05 am at the x9929 number (the voicemail was full on the X9960 number), wanting to confirm that neither you nor Ms. Keo had any information you wished to put before City Council at 3:30 today. As stated in your letter, as the two conditions were not met, Ms. Moermond will be recommending the building be removed within 15 days, with no option to repair.

Please let me know as soon as possible should you wish to present additional information, or testify directly, preferable before noon as indicated in the last letter.

Thank you,
Joanna
