LEGISLATIVE HEARING DISCUSSION ITEMS

Items listed under the Consent Agenda will receive a combined public hearing and be enacted by one motion with no separate discussion. Items may be removed from the Consent Agenda for a separate public hearing and discussion if desired.

- 58 [RLH RR 22-39](#) Second Making finding on the appealed substantial abatement ordered for 575 PARK STREET in Council File RLH RR 21-71. (Recommendation is forthcoming, pending Certificate of Code Compliance is received by September 7, 2022)

Receive certificate of code compliance by Wednesday, September 14 2022, or recommendation will be to forfeit half of the \$5000 performance deposit. If they still do not have the certificate by Wednesday, September 21 2022, the recommendation will be to forfeit the remaining amount.

Moermond: Council originally granted 6 months to rehabilitate property back in May of 2021. You gave an additional 6 months later on, as the project was making progress. It is still not complete. It has been at the 95% mark all summer long. I do not intend to ask the city council to order the building removed when it's at 95%, however there should be financial implications for failing to meet council's deadlines. I intend to recommend next week that half of the \$5000 performance deposit be forfeited if they have not received their certificate of code compliance. They have told me throughout the summer that they would be done in two weeks, and hopefully this inspires completion by Tuesday. If they are not done at the following meeting, I will ask that the balance of the performance deposit be forfeited for failure to meet the expectations

that were outlined. They have been informed in writing of that recommendation as well.

Council President Brendmoen: I appreciate the thoughtfulness about creating an incentive.

Councilmember Balenger moved to continue the public hearing for one week.

59 [RLH RR 22-40](#)

Second Making finding on the appealed substantial abatement ordered for 595 PARK STREET in Council File RLH RR 21-72. (Recommendation is forthcoming, pending approved plan and financing)

Show financing and have an adequate work plan by September 14, 2022 or recommendation will be to forfeit \$5000 of performance deposit.

Moermond: This property is owned by the same party as the previous item and has the same contractor. While the previous property is 95% complete, this one is just over 50% complete. There is not agreement on whether or not there is sufficient financing and I have not received an adequate work plan to indicate how they will finish the project. They posted an additional \$5,000 performance deposit, so the total deposit is \$10,000. At this point however, the council is empowered to forfeit \$5,000 and require \$10,000, to incentivize completion. At next week's council meeting I will ask for a forfeiture of \$5,000 if they do not have an adequate work plan and finance. They have been notified of this in writing.

Councilmember Balenger moved to continue the public hearing for one week.
