Hello Mr. Gartner,

This is to confirm that on May 7, 2019 at the Legislative Hearing, Ms. Moermond stated that she needs to review the boarding situation further before making a recommendation.

After further review, she is recommending ratification of the assessment. If you believe the City/Water Utility is responsible, this needs to be handled through filing a claim. Here is a link to the Claim Form for your convenience. <https://www.stpaul.gov/departments/city-clerk/claims>

If you wish to contest further, you may attend the City Council Public Hearing on June 19, 2019 at 3:30 p.m. in Room 300 Council Chambers.
