172	Kayla Carrigan (Saint Paul 55,116.00) I have seen the plans for the Ford site and I think it's important to add density and multi-family dwellings to the Highland area. It's shortsighted to promote low density when that won't serve future residents as well as the current plan.	2017-09-17 12:50:14 EST

262	Katie Matson-Daley (St Paul 55,105.00) As a ward 3 resident I am priced out of purchasing a home in my own neighborhood. My husband and I are professionals with graduate degrees who would not be able to afford a home in the neighborhood we've tried to invest in for the last 6 years.	2017-09-15 21:35:37 EST
38	Angela Kylo (St Paul 55,116.00) I want to see this move forward. I feel having empty undeveloped land is more negatively impacting the neighborhood than anything I see in the plan.	2017-09-15 15:44:20 EST
469	Susan Gustad (Saint Paul 55,116.00) I firmly support this exciting and forward-looking plan for St. Paul!	2017-09-15 10:53:50 EST
443	Sally Nankivell (St Paul 55,104.00) I support this project as someone who supports sound, progressive public policy; who believes this is an incredible opportunity to create a development that is informed and supported by extensive research, due diligence, and an eye toward the future needs of our	2017-09-15 00:47:01 EST

420	Rick Howden (St Paul 55,116.00) I support the current master plan for the Ford site redevelopment. Not only has this been a long, ongoing process, but it looks to the future and allows for the highest and best use of a large vacated parcel of land. I can't wait to welcome new residents,	2017-09-14 19:12:11 EST
98	Christina Kunz (St. Paul 55,116.00) I've been attending Ford plan meetings for 3-4 years and appreciate all of the expertise, public input, and consideration that has gone into the plan.
