To whom it may concern,

I live at 1077 Wakefield Avenue about 1 block from the Mounds Park Sports Bar. I am writing to strongly object to the application made to extend closing until 2am. This bar sits in the middle of a residential neighborhood and not a commercial or entertainment district. It is entirely inappropriate to extend the business hours. My objections would be the same if it were a different bar as well. I don't have any specific complaints against the business or it's owner. But the bar as it is creates a fair amount of noise and excess traffic. I wish them continued success. But I ask that the City deny the pending application.
