Subject: 25 Sandree Dr W - Follow-Up from 4/11 Legislative Hearing

Hello Mike,

I am just following up with you with more information from Waste Management. They have sent us all three of the invoices since the start of the program (Quarter 4 2018, Quarter 1 2019, and Quarter 2 2019). Waste Management's response is as follows:

"I will assume 25 Sandra Lee is W for Michael Hagberg – I have attached all three of his invoices. He must have gotten invoices at some point since he did make a payment on 1.15.19 for \$70.34 which was applied to his 1.5.19 billing and he made payment on 3.26.19 for \$70.34 and that was applied to his 4.5.19 billing. He only shows paid in full because we had removed the Oct/Nov/Dec billing and sent that to the city for certification."

From Waste Management's response, once you pay the pending garbage assessment of \$70.34 to the City, you will be all paid up and current with your invoices. The payment to the City will cover the Quarter 4 2018 bill. The payment you made on 1/15/19 covered the Quarter 1 2019 bill. And the credit from when payment was made to the wrong account last fall was found and applied to your Quarter 2 2019 bill on 3/26/19.

I hope this clarifies the issue for you. Please feel free to give me a call at 651-266-6216 if you have further questions about this.

Thank you,
