Dear Councilmember Noecker,

I live a block and a half from the former Fire Station #10 and I strenuously object to the license application to permit "291 or more" seats at this 754 Randolph Ave. venue, because there is absolutely nowhere in this tight urban neighborhood to accommodate parking for anywhere near this number of guests. The suggestion that parking wouldn't be a problem, because enough people coming to this venue would be walking or bicycling is so wrong that

it is outrageous.

Please respond with your position on this matter. I have forwarded, below, an email I received from the Fort Road Federation

Sincerely, Therese Goddard, 449 Arbor St.(at James Ave.)
