Hello Mai

This was a vacant bldg. that LHO gave 30 days to come into compliance and they did not by the compliance date of June 5, 202. There was a referral that came in about the sewer drain and that is what I was there for on the 15, there are still nopermits for the dryer and the hot water heater

Hi James,

Lolita Francisco has been calling our office daily. There was an inspection July 15. Will there be a new order going out? There are no notes in system as well. I told her to check back on Monday.
