For good and valuable consideration, the receipt and sufficiency of which is acknowledged, and in further consideration of the covenants and agreements set forth below, Grantor does hereby grant and deliver unto Grantee, its contractors, subcontractors, successors and assigns, a non-exclusive, Temporary Construction Easement (the "Easement") over and across the portion of the real property owned by Grantor located at 0 6th Street East, Saint Paul Minnesota 55101, that is depicted on the attached Exhibit A (the "Easement Area"), for the purposes of construction access, staging and restoration in conjunction with and during the construction and improvements of Osborn Plaza located at 376 Wabasha Street North, Saint Paul, Minnesota, 55102 (the "Project").

As consideration for the grant of this Easement, the Grantee agrees that it shall be responsible for all losses, damages, causes of action, claims, liabilities, cost and expenses resulting from any negligence or misconduct committed by Grantee (or any of its agents, contractors or others employed or engaged by Grantee or its contractors in connection with this Easement) while performing the activities covered by this Agreement, including, without limitation, those arising from injury to persons or damage. Grantee also agrees to restore Grantor's real property and the improvements thereon, if any, to pre-existing condition on or prior to the Termination Date (as hereinafter defined).

The foregoing obligations shall survive the Termination Date and the termination of this Easement.
3. Limitation on Activities within Easement Area: Notwithstanding anything in this Easement to the contrary, Grantee shall use commercially reasonable efforts (i) to

cooperate with, and minimize disruption to, the operations, if any, of Grantor, its tenants, contractors, subcontractors and agents, and any ongoing business operations (whether by existing tenants or otherwise) on and within Grantor's property, and (ii) to not use the Easement Area in a way that blocks or prevents Grantor's ability to open the door to Grantor's property that is adjacent to the Easement Area. Grantor reserves for itself, its successors, and assigns, the right to use the Easement Area for any purpose which is not inconsistent with Grantee's use of the Easement Area as contemplated herein.
