To the members of the St. Paul Police force,

It has been brought to our attention that the St. Paul Police have wrestling mats that are available for donation. We would like to request a donation of wrestling mats for our wrestling club. We have had a need for a while as our current mat was thin and didn't provide the padding some of our technique requires. This mat will be not only help eliminate some safety issues but will also aide in allowing us to participate in alternative forms of wrestling as well. This new mat will ensure we are able to further our student athlete's performances as well as get them ready to compete at the next level. These mats will not only affect our current team but will ensure that future teams are able to learn and grow within the sport as well. Again we would like to thank you for your donation and for allowing us to ensure wrestling in the Mendota heights area will continue to grow.

Thank you,

A handwritten signature in cursive script, appearing to read 'M. Simmonds'.
