Dear Sir or Madam,  
893 Russell Street, St. Paul, MN 55106 has been a rental property for years. It is registered with the City of St. Paul Fire Inspection as a rental property and registered with Ramsey County Property Record as non-homestead. We have no ideal where the garbage hauler send the billing to and they failed to update their billing system to reflect records from the City of St. Paul Safety and Inspection Department and Ramsey County Property and Record. Therefore, we are requesting that you delete the assessment of \$105.68 immediately.
