07/02/2014	14 304875	Closed	RF - Referral - Citizen Complaint Owner Terrance Luther - Jose's Auto Repair shop located at 363 Atwater St has horrible paint smells coming from it. Some days are worse than others and there are some days where I do not let my kids go outside because the smell is too strong and overwhelming. I know they have gotten complaints before and they "comply" with what is required but thats only that one time. They don't start with their paints and we don't get the smell until always after 4 p.m. Something has to be done. SEE COMMENTS
