Dr. Hassan Mohamud,

Please file an appeal if you wish to contest the fee or receive an additional extension. This is something that needs to be discussed and considered in hearing. Mai Vang or Joanna Zimny may be of assistance if you need it.

Best, Marcia Moermond

Dear Marcia:

I received the letter asking me to pay the vacant building registration fee for house 489 Sherburne Avenue, St. Paul, MN 55103.

I have already asked you the 2nd extension before the first one ended to Coronavirus, Summer Protest and unexpected expenses to the rehab the house.

Thank you for giving me the first extension but that was not enough because the work of the construction was delayed was not my fault and construction company's fault. The good news the work of my house now completed and Nathan requested 4 things to be completed which all are external jobs. My construction company is now working on those 4 issues and they will be done by August 27. To rehab the house I paid a lot due to unexpected problems including Coronavirus, Protests and Old of the house which had so many problems.

Please I request you to waive the fee and present to the City council so they can waive the fee since I am helping the City to be safe.

We have a lot of expenses and debt occurred due to the rehab for the house.

The letter is attached.

Thanks,
