To whom it may concern,

Hello, My Name is Ni my wife is Camille and we live across the street from the Dearing Mansion on George Street. Through our 3+ years we have lived here Scott Kramer has always ran the Bed and Breakfast very organized, professional, and quiet. It would be a shame not keep the Dearing Mansion going because people of the state of Minnesota and elsewhere around the country or even visitors from around the world will miss out on the Chance to experience a beautiful piece of St. Paul history.

Thank you.
