P R E A M B L E

This Agreement entered into between the City of Saint Paul, hereinafter referred to as either the "Employer" or the "City", and the A.F.S.C.M.E. Local 3757-Legal hereinafter referred to as the Union, for the purpose of fostering and promoting harmonious relations between the City and the Union in order that a high level of public service can be provided to the citizens of the City.

This Agreement attempts to accomplish this purpose by providing a fuller and more complete understanding on the part of both the City and the Union of their respective rights and responsibilities.

The provisions of this Agreement shall not abrogate the rights and/or duties of the Employer, the Union, or the employees as established under the provisions of the Public Employee Labor Relations Act of 1984, as amended.

ARTICLE I – RECOGNITION

1.1 The City recognizes the Union as the exclusive representative for AFSCME Local 3757-Legal, as certified by the State of Minnesota Bureau of Mediation Services, dated July 29, 1998, Case No.77 PCL-48. This unit above consists of attorneys employed in the City who serve in the following job classifications:

Associate Attorney
Attorney
Senior Attorney
Senior Prosecutor

1.2 Employees employed in the above class titles and assigned to confidential and/or supervisory positions are not included in this Agreement.

1.3 It is recognized that temporary employees are within the unit covered by this Agreement if they work for more than 67 days per calendar year or are anticipated upon hire to be employed greater than 67 days, and meet the hours requirements of Minnesota Statutes 179A.03, subd. 14. A temporary employee, for purposes of this contract, is a person employed to fill a position of a specific limited duration, not to exceed one year. Temporary employees shall not be eligible for vacation accrual, holiday pay, sick leave accrual, health or other insurance premium contributions by the Employer, except as are specifically provided for elsewhere in this Agreement.

ARTICLE 2 – SEVERANCE PAY

2.1 *General.* The Employer shall provide four (4) severance pay plans as set forth in this Article. The manner of payment of such severance pay shall be made in accordance with the provisions of City Ordinance No. 11490. Severance pay program(s) shall be subject to and governed by the provisions of City Ordinance No. 11490 except in those cases where the specific provisions of this article conflict with said ordinance and in such cases, the provisions of this article shall control.

2.2 *Eligibility.* Any employee hired on or before December 31, 1983, may upon meeting the qualifications of this article or City Ordinance No. 11490, as amended by City Ordinance No. 16303, section 1, section 6, draw severance pay under the terms of any of the four severance plans described in this article. Any employee hired after December 31, 1983, but on or before October 29, 1988 is eligible to participate only in Plan 2 or Plan 3 as set forth in this article. Any employee hired after October 29, 1988 is eligible to participate only in Plan 3 as set forth in this article. The election by the employee to draw severance pay under one of the plans for which he/she is eligible shall be made at the time of separation from service. Such election shall be irrevocable and the election of one of the plans shall bar the employee from eligibility to receive benefits under any of the other severance plans.

2.3 *Plan 1.* Plan 1 is the severance pay plan described in Ordinance No. 11490, as amended by Ordinance No. 16303.

ARTICLE 2 – SEVERANCE PAY (Continued)

2.4 *Plan 2.* In addition to the eligibility requirements set forth above in 2.2, an employee must meet the following requirements to receive a benefit under Plan 2:

2.4(1) The employee must be 58 years of age or older or must be eligible for pension under the “rule of 90” provisions of the Public Employees Retirement Association (PERA). The “rule of 85” or the “rule of 90” criteria shall also apply to employees covered by a public pension plan other than PERA.

2.4(2) The employee must be voluntarily separated from City employment or have been subject to separation by layoff or compulsory retirement. Those employees who are discharged for cause, misconduct, inefficiency, incompetency, or any other disciplinary reason are not eligible for the City severance pay program.

For the purpose of this severance program, a death of an employee shall be considered as separation of employment, and if the employee would have met all of the requirements set forth above, at the time of his/her death, payment of the severance pay will be made to the employee’s estate or spouse.

For the purpose of this severance program, a transfer from the City of Saint Paul employment to Independent School District No. 625 employment is not considered a separation of employment, and such transferee shall not be eligible for the City severance program.

2.4(3) The employee must have at least ten (10) years of consecutive service under the classified or unclassified Civil Service at the time of separation. For the purpose of this Article, employment in either the City or in the Independent School District No. 625 may be used in meeting this ten (10) year service requirement.

2.4(4) The employee must file a waiver of reemployment with the Director of Human Resources, which will clearly indicate that by requesting severance pay, the employee waives all claims to reinstatement or reemployment (of any type), with the City or with Independent School District No. 625.

2.4(5) The employee must have accumulated a minimum of sixty (60) days of sick leave credits at the time of his/her separation from service.

2.4(6) If an employee requests severance pay and if the employee meets the eligibility requirements set forth above, he/she will be granted severance pay in an amount equal to one-half of the daily rate of pay for the position held by the employee on the date of separation for each day of accrued sick leave subject to a maximum of \$6,500.

2.5 *Plan 3.* In addition to the eligibility requirements set forth above in 2.2, an employee must meet the following requirements to receive a benefit under Plan 3:

ARTICLE 3 – MANAGEMENT RIGHTS

- 3.1 The Union recognizes the right of the Employer to operate and manage its affairs in all respects in accordance with applicable laws and regulations of appropriate authorities. The rights and authority which the Employer has not officially abridged, delegated, or modified by this Agreement are retained by the Employer.

ARTICLE 3 – MANAGEMENT RIGHTS (Continued)

- 3.2 A public employer is not required to meet and negotiate on matters of inherent managerial policy, which include, but are not limited to, such areas of discretion or policy as the functions and programs of the Employer, its overall budget, utilization of technology, and organizational structure and selection and direction and number of personnel.
- 3.3 Employees may request in writing that the City Attorney consider a job-sharing arrangement. The City Attorney shall be free to deny or approve such proposed arrangements at his/her sole discretion. If approved, both job-sharing employees must agree to the arrangement for its implementation. If so approved and agreed to, vacation, holiday, and sick leave benefits for the position shall be pro-rated based upon the hours each employee is assigned, but in no case may any employee work less than 50 percent time. Health insurance benefits shall be administered in accordance with Article 12. In the event that one of the employees is terminated or terminates employment, the Employer may with 10 calendar days notice, increase the remaining employee's work hours. Should the City Attorney determine that the arrangement does not meet work needs of the office, he/she may return both employees to full-time with 30 calendar days notice. No aspect of these arrangements, including the approval or denial, is subject to either the grievance or arbitration procedure.

ARTICLE 4 – ASSIGNMENT OF WORK/FILLING OF VACANCIES

- 4.1 The City Attorney retains the inherent managerial right to assign work and fill vacancies. These management decisions are not subject to grievance or arbitration.
- 4.2 *Classification Specifications.* Each position represented by this bargaining unit shall be assigned to one of four job classes (Associate Attorney, Attorney, Senior Attorney, Senior Prosecutor) as defined by the advisory class specifications which shall include such information as the description of the duties normally associated with the classification, the competencies normally demonstrated by the incumbents, and the minimum qualifications for the classification. These classification specifications are subject to modification by the City Attorney at his/her discretion and are not grievable/arbitrable.
- 4.3 *Vacancy.* A vacancy exists when a new position is created, or when an incumbent transfers or permanently separates from a position that is represented by this bargaining unit. The City Attorney maintains the right to determine when a vacancy exists, the classification of the vacancy, and retains the right to fill the vacancy, reassign the duties of the vacancy among other positions or eliminate the duties of the vacancy.
- 4.4 *Notification.* The City Attorney or his/her designee, agrees to provide a general notification to current employees by e-mail or other suitable means of a vacancy which the City Attorney intends to fill and to permit employees to express interest in the vacancy. Such notification shall include: a description of the duties assigned to the vacant position, the classification of the position, the salary range for the classification, the timelines for expressing interest in the position, the selection process and, to the extent not included in the class specification, the minimum and preferred qualifications for the position.

ARTICLE 4 – ASSIGNMENT OF WORK/FILLING OF VACANCIES (Continued)

- 4.5 *Expression of interest.* Employees expressing an interest in a vacancy will be given consideration for the position, and will be provided an interview if they meet the minimum qualifications listed for the vacant position. The final decision on whether an employee meets minimum qualifications or is appointed to a vacancy is the City Attorney's and may not be grieved or arbitrated.
- 4.6 *Unsuccessful candidates.* An employee who is not granted an interview, or who is granted an interview for a vacancy but not selected shall, upon request, be granted a follow-up meeting to discuss the reasons for non-selection.
- 4.7 *Probation.* An internal candidate who is selected to fill a vacancy in a higher classification shall serve a probationary period of twelve months in the new job class. If the employee successfully completes the probationary period, he/she shall be classified into the higher class. If he/she does not successfully complete probation, he/she may return to his/her prior job classification.
- 4.8 *Reclassification.* Nothing in this section 4.8 should be construed to limit the City Attorney's discretion to reclassify positions at any time.
- 4.8(1) *Guideline.* An employee is presumed to be working within the correct classification if the employee's minimum qualifications, level of expertise, and at least fifty percent (50%) of his/her regularly assigned duties are those normally associated with his/her job class.
- 4.8(2) *Petition for reclassification evaluation.* An individual employee or the Union on behalf of an employee may file a petition for reevaluation of the job class of an employee who believes in good faith that the employee's level of expertise and more than fifty percent (50%) of his/her regularly assigned duties are those commonly attributed to a higher classification and that s/he meets the minimum qualifications for the higher classification. Such a petition may not be filed within one year of the date a previous petition was filed and must be submitted to the Office of Human Resources, with a copy to the City Attorney. The petition for reclassification is considered "filed" with the office of Human Resources on the date the employee provides a copy to the Office of Human Resources and to the City Attorney. The petition is "filed" regardless of whether the employee's direct supervisor and/or City Attorney have completed any supplemental portions. When the petition is "filed" it shall be considered fully completed by the employee.
- 4.8(3) *Evaluation by Human Resources Office.* Once a petition for reevaluation has been filed, the Office of Human Resources shall conduct an evaluation of the position and issue a written recommendation as to whether reclassification is appropriate. Whenever possible, the Human Resources Office shall attempt to complete the evaluation within 90 days of receipt of a petition.

ARTICLE 4 – ASSIGNMENT OF WORK/FILLING OF VACANCIES (Continued)

- 4.8(4) *Implementation by City Attorney's Office.* Prior to January 1, 2002, the recommendation of the Human Resources Office as to the allocation of a position shall be advisory to the City Attorney and shall not be binding on the City Attorney. Effective January 1, 2002, if the Human Resource Office recommendation is to reclassify the position upward, the City Attorney must either reclassify the position or eliminate from the position those duties that are not consistent with the employee's existing classification. The City Attorney's choice between reclassification or elimination of duties shall not be grievable/arbitrable. If the decision to reclassify the position leads to a pay increase for the employee, such pay increase shall become effective the beginning of the first pay period following the written recommendation by the Office of Human Resources.

ARTICLE 5 – RESIDENCE

- 5.1 Employees covered by this Agreement shall have no residency requirements or restrictions.

ARTICLE 6 – CHECK OFF

- 6.1 The Employer agrees to deduct the Union membership initiation fee assessments and once each month dues from the pay of those employees who individually request in writing that such deductions be made. The amounts to be deducted shall be certified to the Employer by a representative of the Union and the aggregate deductions of all employees shall be remitted together with an itemized statement to the representative by the first of the succeeding month after such deductions are made or as soon thereafter as is possible.
- 6.2 Any present or future employee who is not an Union member shall be required to contribute a fair share fee for services rendered by the Union. Upon notification by the Union, the Employer shall check off said fee from the earnings of the employee and transmit the same to the Union. In no instance shall the required contribution exceed a pro rata share of the specific expenses incurred for services rendered by the representative in relationship to negotiations and administration of grievance procedures. It is also understood that in the event the City shall make an improper fair share deduction from the earnings of an employee, the Union shall be obligated to make the City whole to the extent that the City shall be required to reimburse such employee for any amount improperly withheld. This provision shall remain operative only so long as specifically provided by Minnesota law, and as otherwise legal.
- 6.3 The Union agrees to indemnify and hold the Employer harmless against any and all claims, suits, order or judgments brought or issued against the City as a result of any action taken or not taken by the City under the provisions of this Article.

ARTICLE 7 – DISCIPLINE

7.1 The Employer may discipline employees in any of the forms listed below:

- 7.1(1) Oral reprimand;
- 7.1(2) Written reprimand;
- 7.1(3) Suspension;
- 7.1(4) Demotion;
- 7.1(5) Discharge

The Employer will discipline for just cause only.

7.2 Discharges will be preceded by a five (5) working day preliminary suspension without pay. During said period the employee and/or Union may request, and shall be entitled to a meeting with the Employer representative who initiated the suspension with intent to discharge. During the five (5) day period, the Employer may affirm the suspension and discharge in accordance with Civil Service Rules or may modify, or withdraw same.

ARTICLE 8 – STRIKES, LOCKOUTS, WORK INTERFERENCE

8.1 The Union and the Employer agree that there shall be no strikes, work stoppages, slow-downs, sit-down, stay-in, or other concerted interference with the Employer's business or affairs by said Union and/or members thereof, and there shall be no bannering during the existence of this Agreement without first using all possible means of peaceful settlement of any controversy which may arise. Employees engaging in same shall be liable for disciplinary action.

8.2 No lockout, or refusal to allow employees to perform available work, shall be instituted by the Employer and/or its appointing authorities during the life of this Agreement.

ARTICLE 9 – GRIEVANCE PROCEDURE

9.1 A grievance is defined as a dispute or disagreement as to the interpretation or application of the specific terms and conditions of this Agreement. The procedure established by this Article shall be the sole and exclusive procedure for the processing of grievances. However, this Article does not abridge grievance rights possessed by eligible veterans under applicable veterans' rights statutes.

9.2 The Employer will recognize representatives designated by the Union as the grievance representatives of the bargaining unit having the duties and responsibilities established by this Article. The Union shall notify the Employer in writing of the names of such Union Representatives and of their successors when designated. The Employer shall notify the Union in writing to its designated representatives.

ARTICLE 9 – GRIEVANCE PROCEDURE (Continued)

9.3 It is recognized and accepted by the Union and the Employer that the processing of grievances as hereinafter provided is limited by the job duties and responsibilities of the employees and shall therefore be accomplished during normal working hours when consistent with such employee duties and responsibilities. The aggrieved employee and an Union Representative shall be allowed a reasonable amount of time without loss of pay when a grievance is investigated and presented to the Employer during normal working hours provided that the employee and Union Representative have notified and received the approval of designated supervisor and provided that such absence is reasonable and would not be detrimental to the work programs of the Employer. It is understood that the Employer shall not use the above limitation to hamper the processing of grievances.

9.4 Grievances, as defined by Section 9.1, shall be resolved in conformance with the following procedure:

Step 1. An employee claiming a violation concerning the interpretation or application of this Agreement shall, within twenty-one (21) calendar days after such alleged violation has occurred, present such grievance to the employee's supervisor as designated by the Employer. The Employer-designated representative will discuss and give an answer to such Step 1 grievance within ten (10) calendar days after receipt. A grievance not resolved in Step 1 and appealed to Step 2 shall be placed in writing setting forth the nature of the grievance, the facts on which it is based, the provision or provisions of the Agreement allegedly violated, the remedy requested, and shall be appealed to Step 2 by the Union within fifteen (15) calendar days after the Employer-designated representative's final answer in Step 1. Any grievance not appealed in writing to Step 2 by the Union within fifteen (15) calendar days shall be considered waived.

Step 2. If appealed, the written grievance shall be presented by the Union and discussed with the Employer-designated Step 2 representative. The Employer-designated representative shall give the Union Employer's Step 2 answer in writing within ten (10) calendar days following the Employer-designated representative's final Step 2 answer. Any grievance not appealed in writing to Step 3 by the Union within ten (10) calendar days shall be considered waived.

Step 3. If appealed, the written grievance shall be presented by the Union and discussed with the Employer-designated Step 3 representative. The Employer-designated representative shall give the Union the Employer's answer in writing within ten (10) calendar days after receipt of such Step 3 grievance. A grievance not resolved in Step 3 may be appealed to Step 4 within ten (10) calendar days following the employer-designated representative's final answer in Step 3. Any grievance not appealed in writing to Step 4 by the Union within ten (10) calendar days shall be considered waived.

ARTICLE 9 – GRIEVANCE PROCEDURE (Continued)

Step 4. A grievance unresolved in Step 3 and appealed to Step 4 by the Union shall be submitted to arbitration subject to the provisions of the Public Employment Labor Relations Act of 1971, as amended. The arbitration proceedings shall be conducted by an arbitrator to be selected from a permanent panel of five (5) arbitrators. Arbitrators shall be selected by lot within twenty (20) work days after notice has been given.

In the event the Employer and the Union cannot mutually agree to five (5) arbitrators for the permanent panel, the parties will petition the Director of the Bureau of Mediation Services for a list of ten (10) arbitrators for each panel member for which the parties did list(s), the Employer striking first, until one (1) name remains. Vacancies occurring on the permanent panel during the life of this Agreement shall be filled by mutual agreement of the parties. If the parties cannot mutually agree, the vacancy shall be filled by the process noted in the preceding paragraph.

Step 5. The arbitrator shall have no right to amend, modify, nullify, ignore the terms and conditions of this Agreement. The arbitrator shall consider and decide only the specific issue(s) submitted in writing by the Employer and the Union, and shall have no authority to make a decision on any other issue not so submitted. The arbitrator shall be without power to make decisions contrary to, or inconsistent with, or modifying or varying in anyway the application of laws, rules, or regulations having the force and effect of law. The arbitrator's decision shall be submitted in writing, copies to both parties and the Bureau of Mediation Services within thirty (30) days following the close of the hearing or the submission of briefs by the parties, whichever be later, unless the parties agree to an extension. The decision shall be binding on both the Employer and the Union and shall be based solely on the arbitrator's interpretation or application of the express terms of this Agreement and to the facts of the grievance presented.

9.5 The fees and expenses for the arbitrator's services and proceedings shall be borne equally by the Employer and the Union provided that each party shall be responsible for compensating its own representatives and witnesses. If either party desires a verbatim record of the proceedings, it may cause such a record to be made, providing it pays for the record. If both parties desire a verbatim record of the proceedings the cost shall be shared equally.

9.6 If a grievance is not presented within the time limits set forth above, it shall be considered "waived." If a grievance is not appealed to the next step within the specified time limit or any agreed extension thereof, it shall be considered settled on the basis of the Employer's last answer. If the Employer does not answer a grievance or an appeal thereof within the specified time limits, the UNION may elect to treat the grievance to the next step. The time limit in each step may be extended by mutual written agreement of the Employer and the Union in each step.

ARTICLE 10 – WAGES/MERIT PAY

- 10.1 *General wage adjustment.* Effective April 1, 2013 (or closest pay period) all salary rates applicable to individuals in this bargaining unit (as well as minimum, midpoint and maximum rates for each salary range) shall be increased 1.0%. Effective October 1, 2013 (or closest pay period) all salary rates applicable to individuals in this bargaining unit (as well as minimum, midpoint and maximum rates for each salary range) shall be increased 1.0%. Effective April 1, 2014 (or closest pay period) all salary rates applicable to individuals in this bargaining unit (as well as minimum, midpoint and maximum rates for each salary range) shall be increased 2.5%. Effective April 1, 2015 (or closest pay period) all salary rates applicable to individuals in this bargaining unit (as well as minimum, midpoint and maximum rates for each salary range) shall be increased 2.0%.

Retroactive wage adjustments shall only apply to employees who were employed by the City as of the date of signing this Agreement.

- 10.2 *Merit-based increases.* Beginning with the July 2007 – June 2008 performance evaluations, the City Attorney shall determine which members of this bargaining unit shall be entitled to merit pay each performance evaluation year (July – June). This determination shall be based on the employee’s performance rating for the entirety of the previous year. (The City Attorney retains the right to determine how and when to administer merit-based increases for employees who have not been employed in the City Attorney’s Office for the entirety of the evaluation period). Such merit pay raises shall be effective on the first full pay period following July 1st of each year, and shall be for the amounts listed below, based on the “mid point” for each classification as defined and listed in Appendix A:

Performance rating

4. Level	4.0% of midpoint added to base
3. Level	2.5% of midpoint added to base
2. Level	0%
1. Level	0%

All merit increases will be calculated as a percentage of the midpoint of the salary range assigned to the employee’s class title. An employee’s base salary shall not be increased above the salary range maximum for his/her title. If the merit increase awarded would result in an increase above the salary range maximum, the employee’s base salary will be adjusted to the range maximum and the balance of the increase will be paid to the employee in a lump sum. If employee is at the salary range maximum, the entire merit based increase will be paid to the employee in a lump sum.

The City Attorney shall make a reasonable good faith effort to have performance evaluations completed by July 1 of each applicable year. If for some reason, the evaluations are not complete, merit increases shall apply retroactively to the first full pay period after July 1st of that year. The substantive judgment of the employee’s supervisor regarding the employee’s performance shall not be subject to the grievance procedure of this agreement nor shall it be subject to arbitration. The employee may request a meeting with his/her supervisor and the City Attorney for the purpose of reviewing the employee’s performance evaluation.

ARTICLE 10 – WAGES/MERIT PAY (Continued)

- 10.3 *City Attorney adjustments.* The City Attorney reserves the right to increase salaries during the mid-term of the Agreement for internal promotion, equity treatment, assumption of increased responsibility or authority, employee retention or other business-related reasons. The decision of the City Attorney, both as to the amount of such merit raise and as to the method by which it shall be given, shall be at the sole discretion of the City Attorney and shall not be subject to the grievance procedure of this agreement, nor shall it be subject to arbitration.
- 10.4 *Salary upon class change - reallocation or promotion to a higher class.* Upon reallocation or promotion to a higher class, an employee shall normally receive a salary increase of at least 4% or shall be moved to the bottom of the new salary range (whichever is greater). A higher salary increase may be granted at the discretion of the City Attorney and shall not be subject to the grievance/arbitration procedure of this agreement.
- 10.5 *Salary upon position change within the same classification.* An employee's salary rate shall not be changed upon transfer from one position within a classification to another position within the same classification, except as deemed necessary by the City Attorney under 10.4 above.
- 10.6 *Salary upon class change to a lower title.* An employee who is demoted/laid off/reallocated to a lower class for any reason other than demotion for cause shall retain his/her current rate of pay unless that rate is higher than the range maximum for the new classification. In that case, the employee's pay rate shall normally be adjusted to the maximum for the new lower classification. Exceptions to this general rule (i.e., to allow the pay rate to remain above the maximum) shall be made at the discretion of the City Attorney.

ARTICLE 11 – SAVINGS CLAUSE

- 11.1 This Agreement is subject to the laws of the United States and the State of Minnesota. In the event any provisions of this Agreement shall be held to be contrary to law by a court of competent jurisdiction from whose final judgment or decree no appeal has been taken within the time provided, such provisions shall be voided. All other provisions shall continue in full force and effect. The voided provision may be renegotiated at the written request of either party. All other provisions of this Agreement shall continue in full force and effect.

ARTICLE 12 – INSURANCE

Retiree Insurance

12.1 Employees who retire must meet the following conditions at the time of retirement in order to be eligible for the Employer contributions, listed in Sections 12.2 through 12.5 below, toward a health insurance plan offered by the Employer:

- 12.1(2) Have severed his/her relationship with the City of Saint Paul for reasons other than misconduct, and
- 12.1(3) Have completed at least 20 years with the City of Saint Paul.
- 12.1(4) Be appointed prior to October 1, 2013.

Early Retirees

12.2 This Section shall apply to full time employees who:

- 14.2 Eligibility Requirements.

In order to be eligible for a holiday with pay, an employee must be employed as of the date of the holiday and have paid hours on the payroll for that pay period. The amount of holiday time earned shall be based upon the number of non-holiday hours paid to the employee during that pay period (see proration charts in Salary Plan and Rates of Compensation). For the purpose of this section only, non-holiday hours paid includes hours actually worked, vacation time, compensatory time used, paid leave and sick leave. It is further understood that neither temporary nor other employees, not heretofore eligible, shall receive holiday pay.

An employee may use personal sick leave benefits provided by the Employer for absences due to an illness or injury to the employee's child for such reasonable periods as the employee's attendance with the child may be necessary, on the same terms the employee is able to use sick leave benefits for the employee's own illness or injury. An employee may also use up to forty (40) hours of sick leave in the case of sudden sickness or disability of a member of his/her household in order to care for or make arrangements for the care of such sick or disabled person.

This section applies only to personal sick leave benefits payable to the employee from the Employer's general assets. - 15.4 An employee shall be granted up to a total of sixteen (16) hours during a school year to attend school conferences or classroom activities related to the employee's child, provided the conferences or classroom activities cannot be scheduled during non-work hours. When the leave cannot be scheduled during non-work hours and the need for the leave is foreseeable, the employee must provide reasonable prior notice of the leave and make a reasonable effort to schedule the leave so as not to disrupt unduly the operation of the Employer. An employee shall be allowed to use vacation or compensatory time for this leave; otherwise, this leave shall be without pay.
- 15.5 Voluntary Unpaid Leave of Absence. A full-time employee may be granted up to 480 hours of voluntary leave of absence without pay during the fiscal year. These two adoption provisions shall apply only to one City employee in the event that both adoptive parents are City employees.

- 15.7 Employees will be granted leaves of absence in accordance with the Family Medical Leave Act (FMLA). The employer agrees that under FMLA each eligible employee is entitled to take up to twelve (12) weeks of unpaid leave in any twelve month period for any of the following reasons: (According to City policy, available sick leave must be supplemented for conditions specified as eligible for sick leave in this agreement).

Pregnant employees of the City of Saint Paul shall be eligible for the use of paid sick leave and unpaid leave of absence in the same manner as any other disabled or ill City employee. Such paid sick leave eligibility shall begin upon certification by the employee's attending physician that the employee is disabled in terms of her ability to perform the duties of her position.

- 15.9 A twelve (12) month Parental leave of absence without pay shall be granted to a natural parent or an adoptive parent, who requests such leave in conjunction with the birth or adoption of a child. Such leave may be extended an additional twelve (12) months by mutual agreement between the employee and the Employer. Refusal on the part of the Employer to grant an extension of such leave shall not be subject to the provisions of Article 9 of this Agreement. Employees who return following such leaves of absence shall be placed in a position of equivalent salary and tenure as the one held just prior to the beginning of their leave.

ARTICLE 16 – NON-DISCRIMINATION

- 17.3 The Employer shall pay for the cost of the license fee for retention of the employees' attorney license. Employees shall provide the appropriate license renewal form to the Union president who shall present said forms to the accounts payable staff in a timely manner such that payment may be made prior to any deadlines for renewal.

ARTICLE 18 – SENIORITY

- 18.1 Seniority, for the purpose of this Agreement, shall be defined as follows: The length of continuous, regular or probationary service with the City Attorney's Office from the date an employee was first appointed to an attorney position represented by this bargaining unit.
- 18.2 Seniority shall terminate when an employee retires, resigns, or is discharged.
- 18.3 In the event it is determined by the Employer that it is necessary to reduce the work force, employees will be laid off by class title based on inverse length of City Attorney seniority as defined above.
- 18.4 When the number of employees in a higher title is to be reduced, employees in the higher titles who have more City Attorney seniority than employees in lower titles which are in this bargaining unit will be offered reductions to the highest of these titles to which City Attorney seniority would keep them from being laid off, before layoffs are made in any class title.

ARTICLE 18 – SENIORITY (Continued)

18.5 Employees who have held class titles represented by this bargaining unit who subsequently accept appointments or assignments to attorney positions which are not represented by this bargaining unit shall be allowed, in all cases, to return to the currently held or comparable class title represented by this bargaining unit upon completion of such appointments or assignments. The two attorneys providing legal services in the area of Labor Relations were allocated to the Senior Attorney classification as part of the February 18, 2000 classification study. APPENDIX B – WORK SCHEDULES

- 1.1 All bargaining unit employees are exempt from the overtime pay provisions of the federal *Fair Labor Standards Act* and similar state legislation as professional employees and are *salaried* employees of the City who are not compensated on an hourly basis.
- 1.2 The normal work schedule for full-time employees covered by this Agreement shall consist of a minimum of eighty (80) hours within each biweekly payroll period. Employees are generally expected to be working during the normal business hours, weekdays between 8:00 a.m. and 5:00 p.m., or as otherwise established by the Employer for the employee's work group, subject to the leave provisions of this Agreement, and applicable state and federal statutes. Due to the nature of their work, however, the job duties of persons in this bargaining unit may require the employees to work irregular hours, and work on holidays and weekends. Such work requirements are considered an integral part of the job. Therefore, maintaining consistent starting and quitting times and scheduling specific numbers of hours worked in any day or week may be impractical. Where their assigned duties and responsibilities permit, however, and where their Department Head or Supervisor approves, bargaining unit employees may exercise reasonable and prudent discretion in scheduling or varying the normal business hours at which their work is performed.
- 1.3 Employees who work more than eighty (80) hours in a two-week payroll period may be granted administrative leave with the approval of their department head or his/her designee. The City Attorney or designee, in his or her sole discretion, will determine if and when administrative leave has been accrued and in what amount. Except for weekend phone duty, administrative leave shall not be awarded unless the employee works a minimum of four (4) hours beyond the normal work expectation. The maximum balance an employee may hold of paid administrative leave is eighty (80) hours.
- 1.4 Administrative leave off shall be scheduled and approved in advance. Employees and their supervisors shall diligently work together to schedule compensatory time off so that employees may make maximum use of their accrued compensatory time without unreasonably disrupting the business of the Employer.
- 1.5 Employees leaving the City or the City Attorney's Office must use up any accrued administrative leave time and shall not be paid for it under any circumstances.
- 1.6 Effective [insert date contract is executed], employees represented by this bargaining unit shall no longer be eligible for compensatory time. Employee will be required to use any outstanding compensatory balance by December 31, 2015.
- 1.7 Employees and the Union accept the fact that employees are required to attend to the ethical obligations associated with the practice of law, must act to fully serve the needs of their clients and are obligated to observe scheduled court appearances, depositions, agency and other scheduled meetings, and other such requirements of the practice of law, and agree that this provision affecting hours of work does not remove those requirements.
- 1.7 Decisions made or not made under this clause on any individual case are not grievable or arbitrable. However, systematic or repeated decisions which are contrary to the spirit of this Appendix may be grieved under the process set forth in Article 9.

APPENDIX C - MERIT PAY SYSTEM

This letter confirms that the parties entered into the 2013-2015 agreement with the following intentions and expectations regarding the merit pay system:

- The performance system and criteria used under this contract shall be the same performance system and criteria in place at the time of the signing of this agreement.
- An employee's performance rating shall be based solely on the employee's performance and not on the financial situation of the City or the City Attorney's Office.
- Although dependent on employee performance, the percentage of employees rated at each performance rating is unlikely to change dramatically from the ratings issued over the past four years (1997-2000).
- In the event that the percentage of employees rated below a "3" increases from the four-year-average (1997-2000) by more than 10% of the number of employees in the bargaining unit; or in the event that the percentage of employees rated a "4" decreases from the four-year-average (1997-2000) by more than 20% of the four-year-average of "4" ratings; the Union could file a class action grievance alleging that the City has artificially decreased ratings in order to garner cost savings. The Union shall bear the burden of proving allegations under this provision.
- The City could defend itself against such a grievance by demonstrating that performance ratings were based on legitimate performance problems or changes, as documented in the performance review process. If the City asserts such a defense, the City shall bear the burden of proving that the performance ratings were based on legitimate performance issues.
- All of the above numbers are based on net changes in the numbers of employees rated at various levels. It is understood that the performance rating of individual employees may vary from year to year, based on performance.
- The City agrees to provide the Union with aggregate data indicating the number of employees rated at each rating level within 30 days after the performance ratings are completed each year.
- This letter in no way abridges the City Attorney's rights to evaluate performance as outlined in Article 10.4 of this Agreement.

APPENDIX D - Labor Management Committee

A Labor Management Committee shall be formed consisting of at least one management representative and no more than four union representatives. This committee shall meet at the request of either party, not to exceed once every other month (unless mutually agreed to meet more often). Both parties agree that a labor management committee is a forum for discussion of issues; not a forum for negotiations. Management retains all rights as expressed in Article 3 (Management Rights) of this agreement. The City and the Union agree that this labor management committee shall not extend beyond the term of this Agreement unless both parties act affirmatively to renew or modify this clause in bargaining for the next contract.
