Subject: Vacant CVS building at Snelling and University

You don't often get email from chanah55@gmail.com. [Learn why this is important](#)

Greetings,

I am writing to request that the city tear down the building on Snelling and University that used to be the CVS building. As a resident of the Hamline-Midway neighborhood, I am concerned about the number of empty buildings here, for many reasons. They represent a loss of revenue, places for vandalism to occur, and places that don't feel safe or pleasant to be around. That corner in particular seems to attract a lot of vandalism and vagrancy. I would like to see a new business or city-owned building or buildings at the Snelling-University location.

Thank you,
