Subject: Fwd: Sound Level Variance - Shamrock's

Hello Barb,

I will be unable to attend the public hearing on Wednesday the 2nd for the sound variance that Shamrock's has requested for St. Patty's Day. I would ask that the city deny the request. Live music outside in the evening is fine, but midnight is too late for the noise on a weeknight. The music from inside the bar carries enough through these old houses. We have to work in the morning quite early.

Thank you,
